PRO Compliance

1989 INDEX

Volume 14, Numbers 1-12

pages 1-160

Editor: Jeanette Ellison

A

Accepted provider system
ensures quality of continuing care services, OCT:3S

Adverse drug reaction
reporting system, JUN:74

AIDS
AAOS reports on reducing AIDS risk, NOV:148
case managers improve quality of life for AIDS patients, OCT:1S
patients' quality of life and proper nutrition, APR:7S
treatment criteria manual, SEP:114
two imaginative approaches keep AIDS patients in suitable settings, OCT:2S

Ambulatory care
prospective payment system for, OCT:131

Ambulatory quality assurance
expert unravels secrets of, OCT:129

Ambulatory visit groups
resurrected for ambulatory care prospective payment system, OCT:131

American Board of QA and UR Physicians
residency program, FEB:24

American Hospital Association
castigates Joint Commission, DEC:160

American Medical Association
clinical practice parameters, JAN:1

American Medical Record Association
QA Section did not ask for meeting to unify data collection, DEC:153

AVGs
resurrected for ambulatory care prospective payment system, OCT:131

B

Blues
preauthorize common procedures, MAY:64
revise off-label drug policy, DEC:160

C

C-section
guidelines released, JAN:12

California law defeated, FEB:19

Case reviews
expedite surgical case reviews by sharing data collection duties, SEP:110

Catastrophic coverage
Congress eyes 30 bills, OCT:8S

Central placement service
documentation wins approval for, JUL:8S

Clinical indicators
Joint Commission explains development, JUN:76
require drastic cultural changes, MAY:53
respiratory therapy, AUG:99
will benefits outweigh burdens, JUL:87

Coding
do glitches distort nation's health care data, SEP:105
take steps to lessen flawed coding's impact on QA and UR, SEP:109

Confidentiality
of Joint Commission survey reports, JUN:65
protect confidentiality of QA data, APR:44

Commission on Professional and Hospital Activities
publishes risk-adjusted mortality and readmission norms, JUN:79

Concurrent utilization review
simple tool responds to burgeoning demands for, MAY:61

Congress
created Orwellian nightmare with data bank law, NOV:133
eyes 30 catastrophic bills, OCT:8S
must overcome long-term care coverage snags, JAN:1S

Credentialing
centralized system reduces duplicative efforts, MAY:59
ensure physician's competency for all privileges requested, NOV:141

Criteria
AIDS treatment manual, SEP:114

D

Data bank (see National Practitioner Data Bank)

Data releases
quality and cost reports, MAY:64

Delegated reviews,
impossible, reduced review under study, NOV:137
return of, OCT:132

Discharge planning
accepted provider system, OCT:3S
AIDS patients' quality of life and proper nutrition, APR:7S
bill restricting MDs' referrals could complicate discharges, JAN:2S
document activities to gain administrator's support, JAN:5S
documentation wins approval for central placement service, JUL:8S
Illinois Hospital Association defeats bill, FEB:20
Institute stringent transfer policies or risk harsh penalties for "dumping," JUL:6S
NY law troubles discharge planners, physicians, patients, JAN:3S
patients' oral and dental needs in discharge plans, APR:5S
shortage of physical therapists, JUL:5S
Solicit feedback to improve quality of discharge planning, MAY:56
Uniform Needs Assessment Instrument's debut postponed, APR:5S
unit-based discharge planning conferences, SEP:117

Documentation
wins approval for central placement service, JUL:8S

Drug reaction
reporting system, JUN:74

Drug usage review plan
Joint Commission standards, FEB:17

Dumping
institute stringent policies or risk harsh penalties, JUL:6S

E

Effectiveness studies
funded, SEP:120

G

Gardner, Virginia
develop drug usage review plan that follows Joint Commission standards, FEB:17

prepare for release of Joint Commission reports, JUN:70
process assessment of monitoring and reporting, APR:49
reevaluate QA and UM processes, MAR:36
revise surgical case review plan to meet Joint Commission's revised standards, JAN:9
simple tool responds to burgeoning demands for concurrent utilization review, MAY:61
unit-based discharge planning conferences beneficial, SEP:117

Guidelines (also see standards of care)
AAOS report on reducing AIDS risk, NOV:148
ACOG's C-section guidelines released, JAN:12
AMA develops clinical practice parameters, JAN:1
develop internal standards, APR:41
HCFA's effectiveness studies, JAN:1

H

Health Care Financing Administration
effectiveness studies, JAN:1
launches major outcomes study, DEC:160
mandates 18 new screens: JUL:92
names panel to examine Medicare home health claims, JAN:8S
nursing homes provide poor quality of care, APR:8S
quality intervention plan, APR:47
substandard care regulations, MAR:25; JUN:80

Health Care Quality Improvement Act (also see National Practitioner Data Bank)
practitioner data bank, MAR:39

Home health care claims
Roper names panel to examine, JAN:8S

Hospitals,
defeat CA bill that could hamper peer review, FEB:19
plight shows folly of ignoring quality problems, AUG:93
slow to abandon old tests, NOV:148
study of closures, NOV:148
will get a break when PROs begin Part B reviews, AUG:102

I

Illinois Hospital Association
defeats onerous discharge planning bill, FEB:20

Inspector General
defines potentially illegal joint ventures, JUL:3S
wants PROs to scrutinize short stays, AUG:104

J

Joint Commission on Accreditation of Healthcare Organizations
AHA castigates, DEC:160
clinical indicators, MAY:53; JUN:76
defines quality, FEB:24
drug usage review standards, FEB:17
focused surveys, NOV:138
GAO investigation of activities, NOV:140
insider interprets revised standards, DEC:153
meeting revised surgical care review standards, JAN:9
prepare for release of survey reports, JUN:70
release of information on conditionally accredited hospitals, MAR:40
release of survey findings, JUN:65
revises standards, OCT:132
riding out storm of controversy, FEB:13
squares off with NY over QA standards, APR:52
will clinical indicators' benefits outweigh burdens, JUL:87

L

Legal
mine field, teach newcomers how to step through, OCT:7S
risks abound as IG and Stark spark "referral mania," JUL:1S

Length of stay
statistics, FEB:24

Long-term care coverage
Congress must overcome snags, JAN:1S
social HMOs bridge gaps in coverage, OCT:5S

M

Malpractice
fears substandard care regulations intensify, MAR:25

Medical staff QA
drug usage review plan, FEB:18
surgical case review plan, JAN:10

Medicare
payment denial for substandard care, MAR:29

Mortality data
CPHA publishes risk-adjusted, JUN:79
still being probed, AUG:103

MQ-Pinpoint
might stop concurrent UR harassment, SEP:112

N

National Practitioner Data Bank
Congress created Orwellian nightmare, NOV:133
creates more perils than benefits, DEC:149
is the National Practitioner Data Bank terminally ill, SEP:115
HHS awards contract, FEB:24
sleeper provision presents new threat to hospitals, DEC:152
who must report what to the data bank and who must query, NOV:135
will data bank ever become operational, MAR:39

National Association of Quality Assurance Professionals
accredits certification exam, FEB:24

Nonclinical services
quality monitors of, JUL:89

Nursing homes
HCFA reports nursing homes provide poor quality of care, APR:8S

O

Observation status
HCFA finally eases doubts about, APR:1S
HCFA clarifies with new instructions, APR:3S

OMB
honors VA hospital for its commitment to quality, NOV:145

Oral and dental needs
in discharge plans, APR:5S

Outcomes
HCFA launches major outcomes study, DEC:160
OMS may end fragmentation of outcomes research, OCT:121
purchasers will use outcomes data to select quality hospitals, OCT:124

P

Part B reviews
hospitals will get a break when PROs begin, AUG:102

Patient surveys
on discharge planning services, MAY:56

Patients' opinions
may affect your hospital's financial health, JUL:84

Patrick case
saga continues, SEP:120

Payment denial
for substandard care, MAR:29

Peer review
insurance offered, JAN:12
small, rural hospitals exchange peer review cases, MAR:33
Joint Commission survey reports as peer review documents, JUN:65
Patrick saga continues, SEP:120
physicians hide problems when peer review is under fire, JUL:81

Peer review organizations
consider HCFA's quality intervention plan too severe, APR:47
hospitals will get a break when PROs begin Part B reviews, AUG:102
inspector general wants PROs to scrutinize short stays, AUG:104
review physicians' practices, JAN:1
study deemed status for hospitals, MAR:40
substandard care letter delay possible, MAY:64
substandard care regs and malpractice fears, MAR:25

Physical therapists
shortage of angers discharge planners, JUL:8S

Practitioner data bank (See National Practitioner Data Bank)

Preauthorization
of common procedures by Blues, MAY:64

Privileges
ensure physician's competency, NOV:141; DEC:156

Prospective payment system
for ambulatory care, OCT:131

Purchasers
will use outcomes data to select quality hospitals, OCT:124

Q

Quality and cost reports
due for release, MAY:64

Quality assurance
can focused surveys endanger, NOV:138
control quality of QA data, Part 1, FEB:22; Part 1, MAR:30
hospitals clash with NY agency over "umbrella" QA program, JAN:4
hospital's plight shows folly of ignoring quality problems, AUG:93
policy to protect confidentiality of QA data, APR:44
reevaluate QA and UM processes, MAR:36
study identifies QA tip for same-day surgery, MAY:64

Quality improvement
group formed to improve quality, OCT:132
quality monitors of nonclinical services, JUL:89
process assessment of monitoring and reporting, APR:49
reevaluate QA and UM processes, MAR:36
relationship to Joint Commission's quality indicators, MAY:53

Quality intervention plan
PROs consider HCFA's plan too severe, APR:47

Quality monitors
of nonclinical services are important to quality improvement, JUL:89

R

Readmission norms
CPHA publishes risk-adjusted, JUN:79

Referrals
bill restricting could complicate discharges, JAN:2S
inspector general defines potentially illegal joint ventures, JUL:3S
legal risks abound as IG and Stark spark "referral mania," JUL:1S

Residency program ABQAURP, FEB:24

Respiratory therapy
conduct planned and systematic monitoring of, AUG:99

Rural hospitals
exchange peer review cases, MAR:33

S

Salary survey
results, DEC:supplement

Same-day surgery
QA tip identified by study, MAY:64

Short stays
IG wants PROs to scrutinize, AUG:104

Social HMOs
bridge gaps in long-term care coverage, OCT:5S
